

Proceedings of the opening of bids of the tenders floated for appointment of Third Party Quality Monitoring Agency (TPQMA) under PMAY – HFA(U) held on 24.10.2017 at 3:30 PM, in the Directorate of Urban development, Palika Bhawan, Talland, Shimla H.P.

The list of the participants is at Annexure – A.

In order to open and evaluate the Tender floated for Appointment of Third Party Quality Monitoring Agency (TPQMA) under Pradhan Mantri Awas Yojana – Housing for All (Urban) , a committee was constituted vide office order No. UD-H-(F) (2)-9/15 PMAY (part file)-12760-771, dated 19.09.2017. The bid opening date was fixed on 24.10.2017. The committee members arrived at the venue of the meeting on scheduled time and the online opening of bids was started. While opening the online bids, it was observed by the committee members that only one firm i.e. M/s Technical Consultancy Services, Dehradun, Uttarakhand had participated in the bid process. As per notification No Ind/SP (Misc) F(6-10)4/80-111 dated 24.10. 2013 issued by Directorate of Industries, “Store purchase Organization” (clause- 19(b)(4)) it is mentioned that “The number of firms/bids received in the advertised tender system shall not be less than three. If the number of firms/bid received is less than three, then normally such tender may be rejected and process of re-tendering may be initiated. However, If the demand happens to be very urgent, the authority next above the indenting officer, may be consulted before rejection, and if that authority recommends that the purchase be effected on the basis of the number of tenders received and certifies that the rates in tender, proposed to be accepted, are reasonable, suitable action shall be taken in the Stores Department after referring the matter to the authority next above that ordinarily competent to sanction purchase”. Keeping in view the provisions of clause- 19 (b)(4), (Ibid) as only one firm participated in the bid process, so the committee members decided to cancel the tender and suggested that the tender may be floated afresh by relaxing some conditions and by giving a two weeks time, keeping in view the urgency of the matter, so that more and more firms could attract and participate in the bid process. It was also decided by the committee members that the hard copy of the tender received from M/s Technical Consultancy Services, Dehradun may be returned to the firm.

The meeting ended with a vote of thanks from and to the chair by the members.
