

Brief Note on Maintenance of ULB Roads

There are 50 ULB's (1 municipal Corporation, 29 Municipal Councils and 20 Nagar Panchayats having population of 6.89 lacs as per 2011 census in the State. This Directorate came in existence in the year 1986, at that time total population was, 2,20,200 only. At present the following length of Roads, Street and Drains is existing, by which the residents of the ULB's are being benefited for providing them neat and clean Roads, Streets and Drains:-

1	Length of total; Roads	575.79 Kmts
2	Length of Streets	852.48 Kmts
3	Length of Drains	1184.58 Kmts

Now the funds are distributed amongst all the ULBs as per the area of ULB's and population of the ULB's in the ratio of 40% as per the area of ULB's and 60% as per the population of the ULB's. The State Govt. is making all out efforts to provide funds for the maintenance of ULB's Roads and every year funds to the tune of Rs. 6.00 crore are being provided to maintain these roads, so that the residents may not feel difficulties. Most of the Roads were constructed as Black Top surface roads with premix bitumen carpet and seal coat. Most of the Streets having width 1.00 to 2.00 meters have been constructed in cement

concrete, but they also require up-gradation. Also in most of the ULB's the Drains are being made Pucca for the disposal of rain water.

Calamity Relief Funds:-

Up -gradation work of drains and special repairs are also carried out in every year under the Restoration of Rain Damages(Calamity Relief Funds) for which funds are distributed to ULB's proportionately according to the damaged reports received in the Directorate office. Funds under this head are provided by the Govt. for the restoration of rain damages.
